

My dear Dr. Bray,

Many thanks for
this package, but you did not write what
else I owe you for printing & paper;
of course it has been some expense to you,
so do not hesitate to send me the bill.

I regret to hear that you are laid
up ^{with} lamboags & a cold, but I hope this de-
lightful change in the weather will be
favorable to you.

With kind regards to Mrs. Bray,

very truly yours
